**STORMY DANIELS
TO PUBLISH MEMOIR “FULL DISCLOSURE”
WITH ST. MARTIN’S PRESS
OCTOBER 2, 2018**

(New York, NY – September 12, 2018) -- It was announced today that Stormy Daniels will publish a memoir entitled FULL DISCLOSURE with St. Martin’s Press on October 2, 2018. World publishing rights were acquired by SMP Chairman Sally Richardson and Executive Editor Elizabeth Beier from Luke Janklow of Janklow & Nesbit Associates, who represented the author. The book will be published simultaneously in the UK, Australia, South Africa and India by Pan Macmillan and in Germany by Droemer Knauer and will be available in hardcover, ebook and audio formats.

She was already well-known in some circles before March 6, 2018, but that’s probably the first time you heard the name Stormy Daniels. That’s the day she filed a lawsuit against President Donald Trump over a nondisclosure agreement negotiated before the election but never signed.

Now the woman referred to in the *New York Times* opinion pages as “Stormy Daniels, Feminist Hero” and “Joan of Arc,” and in *Rolling Stone* as “the hero America needs,” tells her whole story for the first time. In FULL DISCLOSURE, she shares everything about how she came to be a leading actress and director in the adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national stage, and the events that led to the nondisclosure agreement and the behind-the-scenes attempts to intimidate her.

In FULL DISCLOSURE, Stormy Daniels is funny, sharp, warm, and impassioned by turns. “I own my story and the choices I made,” she writes. “They may not be the ones you would have made, but I stand by them.”
