### **NIKKI HALEY TO PUBLISH BOOK WITH ST. MARTIN'S PRESS**

(New York, NY – April 10, 2019) -- Nikki Haley, former United States Ambassador to the United Nations and Governor of South Carolina, will publish a new book about her life and leadership with St. Martin's Press. SMP editor in chief George Witte acquired world rights from Robert B. Barnett of Williams & Connolly. Publication for the as-yet-untitled book is planned for fall 2019.

Haley will talk candidly about her tenure as U.N. Ambassador and the consequential actions, decisions, confrontations, and behind-the-scenes negotiations that shaped national and world events. Her book also will be deeply personal, describing the experiences that shaped Haley's actions as governor and ambassador, as well as the challenges she and all women face when they assume roles traditionally occupied by men.

Haley commented, "I was blessed to serve during some momentous times as Governor of South Carolina and U.S. Ambassador to the United Nations. There were tragedies and triumphs, but through it all my love for America has only grown. My hope with this book is to give people a unique window into recent history and inspire us toward a better future."

#### About Macmillan
