**Michael Wolff's New Book 'Siege: Trump Under Fire'  
To Be Published by Henry Holt on June 4**

NEW YORK, May 15, 2019 -- Henry Holt will publish Michael Wolff's new book "Siege: Trump Under Fire" on June 4, it was announced today. Wolff is the author of the number-one international bestseller "Fire and Fury: Inside the Trump White House," widely considered the first book to reveal the inner workings of the most controversial presidency in American history. Stephen Rubin, Holt's Chairman, bought the book from Andrew Wylie of The Wylie Agency. John Sterling, the editor of "Fire and Fury," will edit the new book. The book is embargoed until publication.

With "Fire and Fury," Wolff defined the first phase of the Trump administration; now, in "Siege," he has written an equally essential and explosive book about a presidency that is under fire from almost every side. A stunningly fresh narrative that begins just as Trump's second year as president is getting underway, and ends with the delivery of the Mueller report, "Siege" reveals an administration that is perpetually beleaguered by investigations and a president who is increasingly volatile, erratic, and exposed.

**Michael Wolff** is the author of "Fire and Fury," the number-one bestseller that for the first time told the inside story of the Trump White House. He has received numerous awards for his work, including two National Magazine Awards. The author of seven previous books, he has been a regular columnist for *Vanity Fair*, *New York*, *The Hollywood Reporter*, *British GQ*, and other magazines and newspapers. He lives in Manhattan and has four children.
