(New York, NY – July 29, 2020) – It was announced today that Randy Rainbow, America's favorite topical satirist, will publish a memoir entitled *PLAYING WITH MYSELF* with St. Martin's Press. SMP Executive Editor Michael Flamini acquired North American rights from CAA. Publication is planned for late 2021.

Randy Rainbow is a two-time (2019 and 2020) EMMY® nominated American comedian, producer, actor, singer, writer and satirist best known for his popular web series, *The Randy Rainbow Show*. He was recently named one of the "100 Reasons to Love America" by *People Magazine*. In *PLAYING WITH MYSELF*, Randy gives readers a look at the world through his signature pink glasses.

"There's so much fake news out there about me -- lies and propaganda!" states Randy. "I can't wait to set the record straight and finally give people a peek behind the green screen."

In *PLAYING WITH MYSELF*, Randy will take readers through his life: from his childhood as the over-imaginative, often misunderstood son of a Donald Trump clone and the only boy in second grade carrying a purse, to his first job on Broadway...at Hooters (don't ask), to the creation of his trademark comedy style which skewers the politicians of the day. Randy Rainbow will tell all in *PLAYING WITH*

MYSELF, the memoir that dares to ask the question, “Can an introverted musical theatre nerd with only a MacBook and a dream save the world, one show tune at a time?”
